

ATA EA Learning Support Program

The Goal of our EA Learning Support is to assist students at all grade levels to maintain and develop as a successful and independent learner with positive self-advocacy skills. The EA Learning Support Program is a referral program with drop in office hours only. Referral is made by a staff member, student or parent for the additional support. No grades are assigned. A student can be assigned for a period of time or can drop in as needed.

Goals of our program:

- Serve as a stand in parent during asynchronous times.
- Serve as a support during synchronous times.
- Use technology so assist with school work.
- Assist with creating and abiding to a study plan.
- Demonstrate how to effectively take notes

Learning objectives:

- Improve in all content area classes.
- Develop and reinforce study and organizational class skills.
- Strengthen basic academic competencies.
- Create a study plan.
- Improve note taking skills.
- Improve test-taking skills.
