We all have a role to play in the success of our students. The ATA vision is that **we work together** to create a community that fosters academic, social, emotional and physical growth through cooperation and compassion.

The following agreements list the different responsibilities vital to a student's success. Effective schools are the result of families and school personnel working together to ensure that students are successful. Please be involved in a partnership with ATA, and in the success of our students, by signing and following this voluntary agreement.

**PARENT OR GUARDIAN**

To help my middle schooler succeed, I will:

- Make sure my child is in school regularly and on time.
- Help and encourage my child with homework.
- Support school policies and be respectful to school staff
- Attend as many school functions as possible.
- Communicate with staff as needed.
- Model a positive attitude toward school and learning.

**TEACHER**

I believe all children can achieve and I will:

- Treat all students with dignity and respect.
- Provide a safe and pleasant place to learn.
- Help each student work and grow towards his/her potential.
- Communicate with parents/guardians and students regularly.
- Provide consistent expectations in my classroom.
- Be available for students or parents/guardians as needed by appointment.

**STUDENT**

I know I can learn so I will:

- Actively engage in all of my classes.
- Come to class prepared to learn with necessary materials.
- Critically think about my lessons and class discussions.
- Respect all school staff.
- Communicate with my teachers.
- Put forth a sincere effort every day.
